

Sunderland Health Care Information Sharing

In Sunderland health care professionals directly involved in your care will be able to access the most up-to-date information about you electronically (by computer).

The kind of things we will share include:

- A list of any illnesses you have
- Any medication you take
- Any allergies you have
- Test results
- Your contact details

What are the benefits?

Joined-up and safer care

More time to spend on care

You don't have to repeat information

Informed decision making

Less paperwork

Ask at your GP practice for more information.
